Dill, of said Eastham, license to plant, grow and dig oysters upon the flats in said Town of Eastham, as appears in said licenses granted to me by the said town, and

Whereas the Dealership Oyster System a corporation organized and existing under the laws of the State of New York, having its principal office at Vanderbilt, New York, employed for the particular purpose has expended money and has agreed to incur further expense for labor, machinery, tools and materials towards such planting, growing and digging;

Now therefore, I, the said George T. Dill, hereby declare for myself, my heirs, executors, administrators and assigns, that I and they now hold, and shall hereafter hold, all my and their right title and interest in and to said licenses, and in and to all oysters whether the same

have been heretofore, or shall hereafter be gathered from grounds described in said licenses, during the time of, and under said licenses, or either of them, in trust as follows;

To hold, manage and dispose of, and I agree that I will hold, manage and dispose of said licenses, or either of them, under the order and direction of the said Sealshipt Oyster Syndicate, not contrary to the laws of the Commonwealth of Massachusetts, or the provisions of said licenses, or any By-Law or Regulation of the Town of Eastham relating thereto: to permit and I do hereby permit, the said Sealshipt Oyster Syndicate, or its agents, in my name and behalf, and as my duly authorized agent, to go upon said flats above referred to, to plant, cultivate and dig oysters therein, during the term of said licenses, or any extension thereof, so long as the same shall stand in my name, and to dispose of all oysters produced therefrom at its own discretion, but at its own expense, and to its own sole use.

The above granted premises, consist of a section of flats on the west side of the channel at the mouth of Billingsgate Island & have the containing a strip of land twelve hundred (1200) feet long by four hundred (400) feet wide, and is to be used for the purpose of bedding oysters.

In case of a dispute arising regarding the boundaries of said above mentioned land, it shall be referred to the Selectmen of said Town of Eastham, and their decision upon said question shall be final upon all the parties. In consideration of the foregoing, the said Sealshipt Oyster Syndicate agrees, by the acceptance of this instrument, to pay all expense incurred by it, or at its request, hereunder. Witness the hand and seal of the said George T. Dill, this thirty first day of March 1910
